

WELCOME TO OUR CHURCH

We are pleased to confirm that our church is open for visits and private prayer every day between 10 am and 5 pm (dusk in winter). The Porch Library and Produce in the Porch are also available.

Church services have resumed in accordance with guidance issued by the Government and the Diocesan authorities: please see other notices.

The church is often unattended. Please take care of yourself and others by using a sanitiser when entering or leaving the church. Please also follow any recommendations about social distancing that currently apply. Wearing a face covering is optional. Enjoy your visit.

You are invited to write an entry in the Visitors' Book and Prayer Intercessions Book. There are also Track and Trace forms which will be retained for 21 days and then destroyed. Alternatively, the NHS QR venue code is available for you to scan with your app.
